**DECLARATION**

I, the undersigned, \_\_\_\_\_, am the authorized owner/agent of the owner named in the above application and I certify the truth of all the statements or representations contained therein.

Where the applicant proposes to carry out the construction or an entranceway himself or to have a qualified contractor perform the work, the following special provisions shall apply: (1) The applicant will "save the Municipality harmless" and thus assume all risk and liability when granted the permit. (2) The applicant is responsible for any damages to person and property caused by the work and shall obtain appropriate Public Liability and Property Damage Insurance. (3) The applicant will, at all times, carry out the work in such a manner as to create a minimum of interference with normal road traffic. It is required to use proper precautions such as barricades, lights and flag persons to safeguard the traveling public. The applicant shall take precautions at all time to protect pedestrians. (4) The entranceway shall be constructed in accordance with **Schedule "B"** to Township By-Law. (5) The applicant is required to construct the entrance within (6) months of the date of the permit.

I, understand that the issuance of a permit shall not be deemed a waiver of any of the provisions of any by-law or regulations, notwithstanding anything included in or omitted from the plans or other material filed in support of or in connection with the above application.

I further acknowledge that in the event the permit is revoked for any cause or irregularity or nonconformity with by-laws or regulations, there shall be no right of claim whatsoever against the municipal corporation or any official thereof and any such claim is hereby expressly waived.

I further acknowledge that the cost of the entranceway is the responsibility of the applicant.

I have read and thoroughly understand the conditions, specifications and regulations relating to this application.
